## Senior Football

On Saturday 20th March we played our annual Pre Season Game against South Mandurah at Hands Oval. All 4 teams got the chance to pull on the boots and it was great to see some new faces running around in the Red & White.

Our Colts played 3 quarters due to South Mandurah not having enough players for their Reserves, so a number of their Colts had to back up for another 3 Quarters of Reserves Footy. Max and the women's team are again looking good for another big season.

Billo was excited to see the League team in a proper hit out and with some development of some of our young guys along with our recruits 2021 is looking to be an exciting year.

## South Bunbury Juniors

Both our Youth Girls team had a hit out at Hands Oval on Saturday 20th against Carine Junior Football Club. It was fantastic to see the girls from both clubs get together for a game. The positive feedback after the game regarding how amazing our club is on and off the field was fantastic. We are hopeful this is the start of what can only be a great connection between the two clubs.

Only 4 weeks until Junior Football is upon us with the season set to commence on the 24th April. Our Club will nominate 12 teams with around 300 junior players representing the Mighty Tigers and around 75 Auskickers starting on the 23rd April.

We can't wait to pack Hands Oval on a Saturday morning with junior games to be enjoyed by parents, grandparents and friends watching the next crop of Tigers. The Club is also extremely hopeful that our request for full Friday night fixtures is granted by the league so we can once again pack the Considine & Sav Davies Lounges with SBJFC Families enjoying the comradery of our great club on a Friday night.

We would very much like to thank David & Trina Eagles our local Macca's Franchise owners for their magnificent support of the South Bunbury Junior Football Club & especially the YG 7-9 jumper sponsor.

All the best and Carn the Tigers in 2021

## **Bunbury Sharks (AFL Masters)**

Well with what seems the longest preseason in the history of Masters Football our first game will be a round robin carnival at home on the 27<sup>th</sup> March. The skills have definitely gone backwards and I swear weight has been gained not lost probably due to the frothies and sausages after each Thursday night training run. It's been great to see some new faces and even better to have some regulars returning to the fold. Next month I will update you all on how the team fared in our first carnival and some fall out from our annual trip away to Wongan Hills.

## **SWNFL Netball**

All our Netball teams are training hard with fantastic enthusiasm for the season ahead. We had a combined Junior Netball & Senior Netball launch dinner on Friday 19<sup>th</sup> March, a massive thank you to Loretta who catered for around 140 meals! It was a great turn out and a perfect opportunity for the Junior Netball girls to see their netball pathway with South Bunbury into the SWNFL! The Senior Teams were presented with their dresses and captains & leaders announced for each team.

Our netball girls also had a South Mandurah scratch match for Reserves & League on Saturday 20<sup>th</sup> March. Quite a few of the girls came back to the club to watch and support the footy games afterwards.

Our first games are played Saturday 27 March against Bunbury Bulldogs. All SWNFL teams play an opening gala round at the start of the season and this year Bridgetown are hosting. Big days ahead for SWNFL with a total of 13 games played, 5 of which are our games.

Good luck to our teams for their upcoming games.
